It is imperative that special lubricants be used in your NPK hammer to protect the main components. NPK grease products contain additives that resist extreme pressures and heat. Our specially formulated moly based grease and chisel paste are available through your local NPK dealer. NPK lubricants are offered in 14oz. cartridges, 35lb. pails, 120lb. kegs, 400lb. drums, or refillable cartridges for hammer mounted auto lube systems.
